**National Center for Women & Information Technology  
NCWIT Award for Aspirations in Computing  
CONSENT AND RELEASE**

**APPLICANT RELEASE**

Thank you for your participation in the National Center for Women & Information Technology ("NCWIT") Award for Aspirations in Computing program (the "Award" and the "Award Program", respectively). As a way of sharing the computing experiences of the Award winners with the NCWIT membership, videotaped interviews may be conducted with recipients of the Award. The video may be shown at NCWIT meetings, online, and at other venues related to the work of NCWIT. In addition to the video, recipients of the Award may be asked to participate in additional interviews, and other photographs and audio and video recordings may be made of recipients for and in connection with the Award Program.

In consideration for my being allowed to participate in the Award Program, I, on behalf of myself and my representatives, heirs, successors, and assigns, hereby agree as follows:

- I hereby grant NCWIT and its representatives, successors, and assigns, the absolute, perpetual, and irrevocable right and permission (but not the obligation), with the right to sublicense, to use my name, voice, persona, image, likeness, my Award application materials, and/or any feedback and other content I provide to NCWIT, in connection with providing and promoting the Award Program, including in any photographs, sound and/or video recordings, films, broadcasts, brochures, publications, reports, web pages, promotional/publicity/advertising materials, or any other audio-visual, electronic, printed, tangible work in any media or format in connection with the Award Program (each such item referred to, a "Work" for purposes of this consent and release). I hereby further grant to NCWIT the right to use, incorporate, broadcast, telecast, exhibit, reproduce, distribute, transmit, create derivative works of, display, perform, publish, alter, edit (in NCWIT's sole discretion), or otherwise exploit the Works in whole or in part and in any manner it deems appropriate.
- I agree that I shall have no rights of review or approval regarding the use of any Works.
- I hereby further irrevocably assign to NCWIT (and if un-assignable waive) any and all right, title, and interest of any kind that I may have in any Works including, without limitation, any moral rights that I may have in the Works and understand that all right, title, and interest in and to the Works shall be NCWIT's sole and exclusive property, which NCWIT may assign or transfer in its sole discretion.
- I hereby release, indemnify, and agree to hold harmless NCWIT and its agents, representatives, licensees, successors, and assigns, from all claims, causes of action, liability, damages, costs, losses, or expenses of any kind based upon, relating to, or arising out of my participation in the Award Program, any use of the Works, or this consent and release.
- I hereby voluntarily consent to the teacher or other school official I've listed to endorse me for the Award Program to disclose my personally identifiable information, including from my education records, to NCWIT.
- I hereby consent to NCWIT collecting any personal information I provide to NCWIT (e.g., my name, phone number, email address, and physical address) and using that information to contact me regarding my application, with promotional information (e.g., about computer science education resources, opportunities, or news), and for research purposes (e.g., to complete a survey or provide feedback).
- I hereby voluntarily consent and agree to the terms and conditions contained in this consent and release. I have read and understand the terms of this consent and release and the Award Information Sheet (available at [www.ncwit.org/award](http://www.ncwit.org/award)), the requirements for the Award Program, and agree to be considered for the Award Program. I also understand and agree that my participation in the Award Program is not, and will not be deemed, employment or an engagement to perform any services and there will be no payment or other consideration due in connection with the use of the Works.
- I represent and warrant that I am at least eighteen (18) years of age (or, if not, that I have provided contact information for my parent/guardian to receive and review this consent and release), and that I have the full right and authority to enter into this consent and release.
